

Arnold "Buzz" C. Wallace

November 25, 1942 - February 14, 2020

Arnold C. "Buzz" Wallace passed away peacefully, on February 14th, 2020, at 77 years of age, at Woodland Hospice in Mt. Pleasant, Michigan after a battle with cancer. Arnold was born in Eaton Rapids, Michigan, and spent his formative years on the family farm at Big Norway Lake Ranch in Clare County's Freeman Township. A lifelong bachelor, Arnold resided in Farwell, in Homer Alaska; and wintered in Hastings Florida after he retired. Arnold was a hard worker, who worked in a variety of different fields over the years, mainly teaching and mechanics. He had special skill with higher mathematics, and was an inveterate tinkerer. Arnold was a licensed pilot, and flew wherever he could. Arnold was a 1961 graduate of Farwell High School, attended Central Michigan University and Michigan State University, and a veteran of the US Army. He served on the Board of Trustees for Mid Michigan College in the 1970s.

Arnold is survived by a sister, Mary E. (Wallace) Geeck, of Coleman, Michigan, and numerous nieces and nephews, and "greats."

Arnold was preceded in death by his parents Chet and Donna (Bassett) Wallace, his elder brother Daniel (Jan) Wallace, all of Farwell. In keeping with his wishes, arrangements have been entrusted to Stephenson Wyman Funeral Home. Mr. Wallace has been cremated and a simple service for the family will be scheduled in the future. If you are considering a memorial gift to honor Arnold Wallace, the family suggests the Clare Municipal Airport.

Comments

“ Buzz and I taught at Marion High School when we were both new to teaching. We became great friends. Not only were we friends, but my whole family came to care greatly for Buzz. Many an evening was spent playing cards with mom and dad (Fred and Elsie Guiette). Although I had not seen Buzz for many years, I thought of him often and shall miss him. He will always be in my prayers.

Barbara Guiette-Reese - April 16, 2020 at 12:26 PM

“ I only knew Buzz for a few years but he became a good friend and shared his knowledge of mechanical things. He will be missed by all the neighbors of the Hastings FL, Earle Airpark.
