“ Ruth was a kind person who was always upbeat with a good sense of humor. I think of her spirit of adventure and her compassion when she decided to drive my mother, her grandmother, all the way to Florida for my mom's yearly visit with her brother George and Thelma in Pompano Beach. She was fairly new to driving and I'm quite sure it was her first long trip. They did well and I'm told had a good time during their week of visiting.

She gave me the impression that she was a hard worker in the financial management area, working for an investor for many years and according to Ruth, she made some shrewd investments for herself and her husband Duane. So much so, that whenever we talked I made a point to inquire about what she thought of the stock market. Good sense of humor and very direct. She will be missed - comments from her "Uncle Bob".

“ Ruth was the gold standard when it comes to human beings. I had the privilege of working with her for a couple of years at Merrill Lynch. When she moved up to the 2nd floor, the atmosphere completely changed for the better. She brought laughter, food gatherings, celebrations, and decor for all seasons. She was a strong woman that wasn't afraid to speak her mind and tell it how it was but she always did it with kindness. She lived life fully and loved deeply. Between friendship, her family and co-workers she was someone you could count on to be there and bring sunshine to any circumstance. I am deeply saddened to know we have lost her light here on earth. I am so glad she was able to retire last year but truly wish she had more time with Duane and her beloved daughter Jessica and grand-daughter Lilly. I had just talked with her recently and was so happy to hear her retirement was going how she planned. She is an angel that left a huge mark in many people's lives and will never be forgotten.

“ Ruth was a wonderful daughter and was full of life. She always told me no way am I decorating like you do for the holidays. Well guess what, she did for all of the holidays. She had a lot of trees like I did too. She would call me up and tell me she got the crystal tree and coke tree up and would let me know when the rest of the trees were all up.

Ruth played baseball and was a cheerleader and was active in school.

At 17, she drove her Grandma Prevost to Florida to visit Uncle George Anthony. They had a lot of fun.

Ruth also liked wearing her beautiful jewelry.

Ruth took over the big family Christmas dinner after Mum Kerner quit having it. We had a wonderful dinner and a lot of fun with our family.

Ruth will be missed by all and will enjoy being with family and friends in Heaven.

I miss you Ruth, love Mom.

“ Ruth Burrows had a huge heart for other people. She always remembered birthdays and she went out of her way to make other people feel special and appreciated. Ruth didn't mess around when it was someone's birthday--she went BIG! She would bring in food for an army and she always brought in the best of the best in terms of quality. And boy could she decorate....thanks to Ruth our office always looked right out of the North Pole come December! Ruth was deeply committed to serving our clients and she had an uncanny ability to memorize client account numbers. I frequently called her "Rain Man". She had a great laugh that was contagious. Everything she put her mind to was always done with excellence. I am deeply saddened to learn about Ruth's passing. Dayna and I send our deepest condolences to Duane, Jessica, and your entire family. You are in our thoughts and prayers and we are so very sorry for your loss. There is a special place in heaven for kind, generous souls like Ruth.

“ Ruth was usually the first person in the office, took it on herself to make the office festive for whatever the season/holiday was, and always remembered my birthday. Truly a wonderful person to work with and know, and I will remember the fun conversations and laughs we shared. My family sends our condolences to Duane, and the rest of Ruth's family.

“ My deepest condolences to Duane, Jessica, Lilly & the entire family, I am still having a hard time comprehending that Ruth is gone. Starting out as customers of mine approx. 40 years ago, turned into a wonderful friendship. Ruth had a heart of gold & a laugh that you could never forget. We would watch "The Voice" over the phone together every week which was so much fun w/ Ruth. I will miss her like hell! She just retired! Life is so unfair at times. May you Rest In Peace, my dear friend.

She always took the time to answer a question, listen, help out her coworkers...she made me feel so very welcome when I first started at the office. Up until her retirement, I always looked forward to seeing Ruth and laughing with her - she had the best laugh. Ruth, you will be missed by all. “ Ruth was a wonderful friend to work with at Merrill Lynch. She was mostly responsible for the 'food bars' we'd set up on the file cabinets for any occasion. She was a generous, thoughtful and fun person and I loved how she spoke her mind. I'm so sorry for Duane and all the family - she was always doing something with or for you and spoke of you often. We were hoping to get together this summer since she retired and I'm sad that now that won't happen. She was a force and will be missed!

Angie Miller - May 10 at 11:27 AM
