“ For our family, Ruthie will always be remembered for her noodle-making skills. The photos show her teaching Alyssa, Rachel, and Beau how to make home-made noodles during an August 2002 visit to Eight Point Lake. Love to Dan & Vicky and all of Ruthie's family. She will be greatly missed.

“ Dan and Gene so sorry to hear of the death of your mom and sister. I have so many memories of her from the time I was little until recently. She was also so upbeat and outgoing. She reminded me of her mother, aunt Hilda. She will be missed. Our thoughts and prayers are with you.

“ I have only known Ruth since 1991 when we purchased the house next to her. First thing she asked was do you keep your yard up? I could never keep up with Ruth. She could always work circles around me. Ruth had no boundaries. After church one days she had spied an old chair on the curb. She recovered the chair and it looked brand new. When 8-Point Lake had their annual yard sales she insisted I should come up. I purchased two pieces of furniture. Ruth said we can get that in the back of my car and by God she did. I believe I could write an entire book referencing Ruth and our time together. Suffice to say. No matter what we got ourselves into during the day we always ended the day at my garage, with drinks in hand to discuss the events of the day. Ruth referred it to solving the troubles of the world. Ruth became my confident and sounding board... I will miss her. Love to you Ruth.
