Agnes was a cousin by marriage, a loving friend and neighbor. We had many visits. Memories are the Legacy of Love. I have many fond memories. Rest in Peace.

“ *Grandma was amazing and ahead of her time in so many ways. She was independent, brave, motivated, thoughtful, loving, innovative (an encyclopedia of life hacks from her days growing up on the 'farm'), she spoke her mind, and was always ready for an adventure. She gave epic hugs and always had a blessing and prayer for everyone. We're all unique in our own ways, but God definitely dusted Grandma with a little something special! I know I'll never forget any of her stories and life insights. She will be terribly missed by all those that loved her, but she will never be forgotten. Her spirit and memory will live on at least another ninety-seven years. We love you Grandma, and God bless you! Kristin, Tyler and Alex*
