“ So sad to hear of Al's passing. Our memories of Al date back to his high school years. One of the great football players in Clare history and a school record holder for over twenty years in the shot put. He was a very nice person and a joy to be around. Our sincere condolences to Kim and the rest of his loving family.

“ Kim and family. We wish you all the peace and love that we know Al would want you to have. He was an amazing friend with a carefree attitude. When sitting with him eating breakfast while working in your home, you both made us feel like a part of the family. He never met a stranger and was loved by everyone who met him. I was blessed to have known him for the length of time I got to. Please know I'm here if you need anything. He is missed.
