“ I'm so sorry to hear of Albert's passing. Albert and I met in 1980 when he was hauling sawdust from the sawmill in Clare where I worked. We became friends and kept in touch off and on over the years. As a young man he allowed me to hunt on his property and we would go ice fishing now and again. We had not talked in 3 or 4 years since I left the sawmill in Harrison, but then ran into each other twice in the last couple weeks. We sat in Dr. Lilly's waiting room and got caught up a bit, then I got to shake his hand again at the MMCC function at Jay's less than a week later. I'll miss him. He was a good man and a long time friend.##imported-begin##Jeff Brokaw##imported-end##

John had gone on a couple of hunting trips up north with Albert & the guys, of course they played cards, and John was very impressed with Albert's skill in cards he enjoyed his company very much.
