“ Aunt Alice was a wonderful person . My memory’s as a kid going to her and uncle Dans was so much fun I think about it often . And all her hats amazed me one for every outfit . One time when she had her red maverick we were on a country road and she seen a big snapping turtle she wanted for soup so she proceeded to put it in the trunk I was so scared it was gonna come thru the back seat and eat us kids . Bob,elsie,Brian and my self . And yes the turtle was alive back there. That’s just one of many memory’s I recall , aunt Alice u will be missed very much but never forgotten . I wish I could of been there today to celebrate your life . And see your beautiful children.
