“ I cant believe God took her home but now she can have one of her great grandchildren (my youngest). You dont have to be blood to be family. Im glad God blessed me with a grandma as awesome as she was. Rest in peace and give my baby up there with you, kisses for me. The baby in these pictures, is my youngest son. She never got to meet my recent son but now she has a great grandbaby with her everyday. The thing i am gonna miss the most is all the times i was able to be apart of her life

“ I will miss my Aunt Alice dearly. I remember being a young girl sitting on the floor at her home in Novi listening to her play the piano.
