“ I am very sad to hear about your mother, Cate. As time passes by, we realize how important our lives are to those around us, and the legacy of love that is left behind. Knowing you, I am sure your mom gave you that positive guidance of love, acceptance, and direction. May God give you peace throughout the weeks and months ahead, knowing that she is resting in His arms. I know you will miss her greatly, and I pray for heavenly healing for you, your dad, and your beautiful girls.##imported-begin##Charma Brian##imported-end##

“ Alice was my dad's executive secretary for as long as I can remember. Whenever we kids missed the bus after school, we would walk to the office in the basement of the bank and hang out with Alice. She was a wonderful, beautiful, kind person. The summer after I graduated from high school, my dad gave me a job in the law office and Alice taught me secretarial skills which served me well throughout my college years and I often thought of her patient mentoring with appreciation. As a child she was to my mind like a member of the family and I am sad to hear of her passing.###imported-begin###Belinda Bicknell###imported-end##

“ So sorry for you loss Cate. Having just lost my dad in September. That sadness is still fresh. It was good to reminisce with my siblings, friends and family of the happy times and the regular times and hear stories from my dad's siblings about him. God bless. “ So sorry we are not in MI but Sandy has kept us updated on Alice. Will always remember her laugh and good advice she gave me when I had to put my Mother in the nursing home. Also will remember all the talks we had when grieving for our Ed and her Sara. She was special and I know her loved ones will miss her.
