“ My heart goes out to all of Andy's family. Zach and I had the privilege to care for Andy while he stayed with us at Country Care Assisted Living as our first resident. We grew to love Andy, and the family as they were able to visit quite often. Andy and I had many days that it was just the two of us. I grew fond of Andy right away. He was so full of knowledge. I loved picking his brain; and hearing all of his stories. He often talked of his family and the legacy he would leave behind... and boy did he leave a great legacy. I feel privileged to have known him. He will be greatly missed. ❤️

“ My heart goes out to Andy’s wife and Janice whom I met through Andy while I was one of his caregivers. Andy was a wonderful person full of history and interesting stories. He loved black licorice and black jelly beans. He was stubborn and hard headed but aren’t we all at times. I’ll always remember Andy’s great smile and kindness.
