“ Although I’ve only known Andy for a little over a year I amazed what a wonderful man he was. I’ll always remember him smiling and how everybody loved him at the hardware. He was so full of knowledge and wisdom. I learned a lot from him in a short period of time. The Lord has other plans for him. My heart and prayers go out to Shelia and his family. The world is a lesser place without him.

“ I remember when uncle Andy had the meat market and I remember when me and my dad and mom went over there and I asked if I could help, so uncle Andy gave me the stamps and I stamped the packages and I had so much fun doing that. I was probably about 7 when I did that.
