“ I have such fond memories of visiting the Ferguson home in both Charlotte and Cheboygan and always was made to feel like I was part of the family by Nell. She was so kind and warm and made you feel at ease. What a great example of how to make a house into a home and welcome all with open arms.

“ I am so sorry to hear that Nell has passed and I also imagine her now in a place of beauty and vitality. I always think of Raymond and me coming over to get at Russ - particularly around the holidays - and being warmly embraced by your entire family with Ed and so much of Nell setting that stage. A huge part of my Cheboygan life that I remember and miss - Nell's relentless energy making home for everyone (and obviously the peanut butter balls!)

Love to you all. Love to you, Ed. You are in my heart.

“ So sorry to hear of Aunt Nells passing she was one of a kind! I will always remember the way she coordinated all the Thanksgiving dinners that we all shared and helping organize wedding receptions! She was always in there getting things done! But most of all she was kind and loving she will be greatly missed! Love you all and I pray for peace in this difficult time!
