“ *Aunt Barb was a beautiful lady and will be miss by so many family and friends. I would visit her at the Brook as I had worked there for 10 years and made many friends in the residents. I would sit with her and Gary while they ate lunch and visit. One day I took my great granddaughter Ki'ana with me and she just fell in love with her. Ki'ana is Gene and Jeannie Mead's great great granddaughter. She said oh would Gene just eat this little one up. We talk about the card parties in Lansing and about Richard. I couldn't believe that she remembered me that first time I saw her there as it had been many years. Aunt Bard you brought joy to so many lives and I for will miss you more that anyone will ever know. I love you R.I.P and go with God*

She was the best mother in law anyone could have asked for. She was loving, but most of all forgiving. I was blessed to have had her as a mother in law as well as a friend. I will miss your sense of humor, your smile, and putting up with all sorts of shenanigans that went on in the house in Marlette. You were truly a saint. I have to say those were certainly great times. I also remember the Sunday dinners we shared, thanks for teaching me to make that wonderful fried chicken. I look forward to "seeing you on the other side". I will always love you Mumsy.
