“ We have had so many good times with Buddy that it is hard to pick out just one or two. Like being on the road again following his motor home, stopping to play music and having a good time playing hand & foot. Phyllis you will always be able to count on us for support of any kind. We sure will our friend. Russ & Linda

This was taken at Kelli & Tom's wedding; they are still married so it must be due to Buddy's talent!!

“ Buddy was a man who treated me like a "daughter", the in-law part didn't matter. He showed me in many ways that I was important and truly a part of his family. I felt the same way about him, he was very important to me as well, and the in-law part... was only a formality. He has more "daughters" (in-law) than me, and I know each one felt the same way. We all loved him deeply and our hearts are broken--- we will miss the man who was like a father to us all.

“ We will truly miss Buddy...His smile and warm personality had always been uplifting and he was a great and true friend and like family to us...What a blessing to know him for the last 14 years!... What great memories with him, Phyllis and all the family...We will miss the good times spent together, playing golf, and the times of having done karaoke with him...A true man of country music, truly talented as a musician, and with a smooth and awesome spectacular singing voice...May God give him rest and peace and may comfort and healing be with the family at this time...Our hearts our heavy as we miss a good man with a heart the size of Texas...

“ We didn't need to hire a band or a DJ for our wedding. We had Grandpa Buddy rocking out the VFW for us! I will remember the pontoon rides and talking Tigers baseball and about a million good old stories. I didn't know Buddy for a very long time, but it was enough time for him to leave a lasting impression. Lots of smiles, lots of laughs. I will remember Buddy always because he would be very hard to forget. Jeff.
