“ Betty was a wonderful, generous person. She always had a smile on her face and was always ready to lend anything she had to make life easier for others at the lake. She will be missed by all of us at 8 Point Lake.##imported-begin##Denny & Janet Clayton##imported-end##

“ Betty was a very special influence to me at a very early age. She taught me to swim and water ski and later helped me get my WSI so I could teach swimming. Both Betty and Marion always had time for you. They made the summers special for hundreds of young kids and left a long lasting inpression on our lives. We will sincerely miss her. My heart filled condolence to her family. Carolyn Hardacre##imported-begin##Carolyn {Burdo} Hardacre##imported-end##

“ She was an Adviser to Chris at CMU. Good lady. A north shore friend. She had the fastest boat on the lake.##imported-begin##Len &Crystal (McDonagh) Strait##imported-end##

“ Betty was a great help to our family. She and Marion provided support to us as new immigrants from Germany. Through their kindness and assistance, our family found the American dream. As Betty coped with her illnesses and surgeries, my mother had occasion to lend help, out of concern for her and as a way to return the favors she did for us so many years ago. They set a wonderful example of respect and regard for others; I hope we can learn from their selflessness.##imported-begin##Ilona Klemm##imported-end##

“ Words cannot express how sad we are not to have Betty next door as our neighbor anymore. We shared many laughs and good times with both Betty, Marion and Marge over our 30 years at 8 point lake. She taught our son Mike to barefoot ski. 8 Point Lake will never be the same without Betty. She will be missed by our entire family.Bill & Joyce Etzel##imported-begin##Bill & Joyce Etzel##imported-end##

“ Betty was the women's tennis coach and Physical Education instructor when I came to CMU in 1972 as a 27 year old "rookie" teacher/coach. Betty was a mentor, giving me sound advice on how to work with young women. Betty always had a smile on her face, giving positive comments on how to deal with situations. When I read the tributes to Betty, it's apparent she continued to influence others by "teaching and coaching" her entire life. When I think of Betty, I smile, remembering what a difference she made to so many of us! Thank you from all of us you influenced. Marcy##imported-begin##Marcy Weston##imported-end##

“ I played tennis for Betty at CMU from 1968-1972 and she had a big impact on me. She was a great coach and lady. I have pictures from one of our team parties at the lake, where we water skied and had a great time. We kept in touch for many years after I'd left Mt. Pleasant, but sadly, I'd lost touch the past few years. I am so saddened to hear of her passing.##imported-begin##Mary Sue Lancaster##imported-end##

“ Betty was a fixture at Eight Point for as long as I can remember. We have only been at Eight Point since 1988 but have heard many of my friends speak of her. They remember their water skiing days with Betty with great fondness. I however remember her as a good neighbor and welcoming attitude whenever we would visit. I also remember her love of her kitties. She was ill for quite some time and now her battle is over. Rest well Betty. You will be missed.##imported-begin##Sandi Jeffery##imported-end##
