“ *Grandma, I miss you so much! I think about you a lot. I have so many good memories with you, and I'm glad because I will cherish those forever. You've been gone for 2 weeks now. Not a day has gone by that I haven't thought of you. I spend a lot of time at night laying in bed thinking of you. I have always looked forward to going to Central Michigan University so I could live with you and take care of you. Too bad that's changed. I really wish you were still here. I'm really gonna miss sitting by you playing cards....I need your help!! I learned how to play Euchre now so we can be on a team! Just make sure you save me a seat at the table up there so you can help me! I love you so, so, so much Grandma. I'll take care of my mom and Aunt Lori for you, I promise. I love you and miss you like crazy. Love, your bottom grandchild, the ornery and stubborn one, Kendra.*

“ I miss you so much already. You were a beloved aunt, sister, mom, friend, daughter, and most of all grandma! I will always remember the song you used to sing me and will sing it to my granddaughters one day:  
"You're Grandma's little precious, you're grandma's little girl,  
You're Grandma's little precious baby girl."  
I hope you are having a great time up there because you deserve it. It was so hard to say goodbye, but a little sigh of relief came over me, knowing you felt no more pain. You are a tough cookie, grandma. I wish I could have spent more time with you over the years, but the what if's and I wish's aren't going to help anything. Thank you so much for everything you have done grandma and I will cherish the memories we have together forever. You will always be in my thoughts and in my heart. I love you Grandma!

“ Eleanor and Lori, my heart aches for you at this time. Your Mom was taken from you way to early but you must know you were two very lucky girls. Your mom was loved so much by so many people but you actually had her for YOUR MOM. I know many others also called her "Mom" and what an honor to know that others wanted your MOM!!! It's hard to describe my sister because I think she was the greatest. I will miss her so much but I couldn't have asked her to stay with us any longer with the pain she was enduring. She laughed with me and cried with me as a sister often does and I will never forget all the great times we had. I cried to see her leave but smiled again, knowing she is with other family members she has been longing to see. Most of all, I will miss her laughter, beautiful smile and FUDGE. Love, your little sister, Darlene
