“ Bev was one of the very first people we met when we bought our cottage on Cranberry Lake in 1990. Her and Fred became good friends and always made us feel like family. Bev was a great person and alot of fun, she will be deeply missed.

*Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near,
Still loved, still missed and very dear.*

To the Hollister Family-Today and always, may loving memories bring you peace, comfort, and strength

“ Bev was such a wonderful person and will be deeply missed. It's hard to find the right words to describe her right now...funny, kind, caring, loving. She opened her heart and her home to us on many occasions and treated us like family. Her quick wit and sense of humor always kept Jared on his toes which is no small feat! The Hollister family is in our thoughts and prayers.
