“ She always treated me as though i was one of her own children. She was kind, firm and loving all rolled in one. I have wonderful memories with the family as Brenda and I were best of friend's. The Nuckles even offered to allow me to stay my senior yr. with them..So i could finish it at the same school.. but my parents moved me anyway. I will always love her for the gift of invite to me in their home. RIP Mom, you were the best!
