“ I’m one of Brent’s cousins I have many memories of him as a child. He was always joking, laughing and full of energy. One of the last conversations I had with him we were talking about Christmas at our Grandma DeGeer’s when everyone would get together. Lots of laughter, togetherness, food and presents. We both agreed after Grandma died it wasn’t the same. Well, Brent now you can have another Christmas with Grandma and Grandpa! I love you big guy!
