“ Brian was always a happy go lucky kind of guy. Everytime I would walk into to work he would always have a smile on his face and nothing but good stuff to say about everyone. I will miss seeing his face and laughing and joking around with him. We will all miss his vibrant personality and the way he brightened up the whole room when he walked in. My heart and prayers goes out to his family and everyone else that was close to Brian. He will be missed by all and remembered by everyone.##imported-begin##Kelly C. Doyle##imported-end##
