“ I always use to see Uncle Bryan D at the store or just around town. We would always joke around ..Last time I seen Uncle Bryan D was at the part store.I snuck in behind him and made him guess who it was and he said sounds like Carol. I said wrong try again and he laughed. I peeked around him and he said," why you"!! We had a good time. He will be missed.. Aunt shirley and family, so sorry about Uncle Bryan D.##imported-begin##Kimberly (Taylor) Riggs##imported-end##

“ *The last time I saw Bryan, he still called me Miss Wing, and asked about my little brother Walter, even though I am in my 50's and my brother is not young either. Bryan was our representative from the milk company, and as a youngster we were always glad to see him come because he never came empty handed. Oh how we loved those Kraft Caramels. I bought some this week in honor of Bryan, they are still yummy. I was always pleased that he remembered me and my family's farm from so many years ago.##imported-begin##Kathy (Wing) Gibson##imported-end##*
