“ As with most; so many memories growing up. Always there to help. Lisa was in kindergarten or possibly 1st grade. She fell and cut above her eye on the play ground. I was called to the hospital. short version, Cork came and picked up both of us. As I was out heaving my cookies at the sight of my child bleeding. Love you forever Cork. RIP Til we all join again.

“ Prayers to Cork's large family, & friends. I recall him being such a great member of the Moose. He was the Lodge handyman, and a very long serving Board member. Cork was always first one to help with Adopt-A-Highway project. Engraving all the Donators names at Imagination Gateway playground at Brookwood Park in Clare was tremendous project Cork took on by himself. He will be missed.

“ Playing ball in the side yard on Coleman road, floating on HUGE chunks of Styrofoam down on the corner at Summerton Rd, and shooting bottles at the dump when it was closed with herds of neighborhood boys.
