“ Carol and I worked together at WCA on 3B and we commuted to Buffalo to get our BSNs together. I would have never made it through Chemistry without her and Karen. I am so sorry for your loss, Cheryl.

RIP Carol until we meet again.

Gael, I'm so glad (sorta) that you saw her obituary. I know she enjoyed working and going to school with you. Thank you the memory and condolence. It means a lot to me as it would to her.

“ *Cheryl. I wish I could be with you and attend the service in Michigan. Carol always treated me like her kid sister. I am so glad we had our time together in Baton Rouge. It may not have turned out as we had planned but it definitely brought us closer and I'm glad for that!*
