Tribute Wall

“ To the family, We were all very sorry to hear that Carol had passed. I know she has had a rough time the last few years, and I can say that she was a very strong person, who always did the best she could. I always admired her courage and work ethic, she always just kept going, no matter what. We will all miss her. Don and Marilyn, and Nancy and I are all in Florida and will not be able to be at the service. Our thoughts will be with you.##imported-begin##joe torr##imported-end##
