“ I will always remember Carole’s kindness as she helped me care for (and hide) my new puppy. He brought us both joy and we brought each other friendship. She was a special woman.

“ Carolyn attended ECUMC when she was able. I started visiting Carolyn when she was living at the Lake apartments and then when she moved to the Arboretum. We always had wonderful conversations and she was always so pleasant. My husband is from Iowa so we had conversations of her growing up years in Iowa. Last year was hard not being able to visit because of covid. Once it was safe to visit, I resumed our visits. I know that she was ready to meet her maker and she is at peace.
