“ I miss you Grandma. You always showed me love, always offered helpful advice, and made me giggle whenever you could. You helped me make some of the most important decisions in my life. I cherish all the times we were able to spend together, especially those summers we were able to share with you. ❤️ You are forever in my heart and your words of advice in my head. ❤️ - Bobby

“ *Dear Virgil, sorry for the loss of your loving wife. I think about all of
the times us three enjoyed our visits throughout the years. It was a
pleasure for me to witness the love you both had for each other.

“ I'm sending a dove to heaven
with a parcel on its wings and
be careful when you open it
it's full of beautiful things

*Inside are, a million kisses
wrapped up in a million hugs
to say how much I miss you
and to send you all my love*

*I hold you close within my heart and there you will remain to walk
with me throughout my life until we meet again*

Love, your Granddaughter, Jalene Gamble
