“ Cathy you are missed so much everyday and will be missed forever. You always knew how to make us laugh when times were not going good. You were there for me in time when I could not turn to anyone else. You helped me thru some real hard time and I love you so much. I know you would not want us to sit here and cry and feel sorrow but to laugh and remember all the good times our family had. We love you Cathy and will miss you so much. Sending hugs and kisses up to you,mom,dad and Paul.##imported-begin##Gwendolyn Mason##imported-end##

“ Cathy is our baby sister and is loved so very much!!! She passed away much to soon, for reasons we cannot understand. I feel pain and loss at this moment, and I feel the great sorrow from her husband and my neices...life as we all knew it has changed. Cathy is such a happy loving person, would always try to help someone else deal with their problems even as she was struggling with her own. I will miss her little giggle, and her ability to make me laugh, I will miss her hugs, and the words "I love you sis". But I know that i will see her again. Someday.... Ilove you Cathy, be at peace, for we will look out for Walt , Cassie and Nicki.##imported-begin##patty schema##imported-end##
