

Charles "Chuck" Haker

May 25, 1955 - April 1, 2018

Charles "Chuck" Haker, age 62, of the Clare/Harrison area, passed away suddenly on Sunday, April 1, 2018 in Laingsburg, MI. On May 25, 1955, Chuck was born the son of John and Marian (Ragusa) Haker in St. Johns, MI. In 1986, Chuck moved from the Lansing area to the Clare/Harrison area, where he resided the rest of his life. Chuck was a proud factory foreman for Clare's StageRight, having served the corporation for twenty-five years until his recent retirement. He was also a proud member of the Army National Guard Reserves. Those that knew Chuck well will remember his larger-than-life personality and fun-loving attitude that would fill the room. He was an avid fisherman, hunter, golfer, and sports fan (especially one of the Tigers and Wolverines). He also enjoyed vacationing in Florida and Curtis, MI. in the Upper Peninsula. His greatest love however, was that for his children and grandchildren, from whom he will be greatly missed.

Chuck is survived by his daughters Marcianne (Chad) Curry, of Lansing, and Tessa (James) Slater, of Clare. He is also survived by his five grandchildren Alex, Caleb, and Ethan Curry and Molly and Mayce Slater, his special friend Twig Johnson, his Mester family, and many, many members of his "adopted" family. Chuck was preceded in death by his parents John and Maria Haker. A celebration of life to honor Chuck will take place on Saturday, April 14, 2018 at the Clare Moose Lodge at from 1:00 P.M. to 5:00 P.M. For those who are unable to attend, on-line condolences may be shared on the Haker family page at www.stephenson-wyman.com

“ The world got a little quieter and a lot less fun, recently. Having Chuck as a foreman for 10+ years was a riot and taught me plenty. He was always scheming, thinking and 10 steps ahead of everyone else; often times with a hilarious twist in the end. He was constantly pushing people. Not necessarily with production in mind because comedy, mockery and wisecracks were first priority. That said, if you were on his good side--you were golden. There were more than a few characters that regretted mixing wits with him. Watching him run off bad seeds was watching a master at work.

It would be extremely difficult to find another person that lived their life with the ferocity Chuck did. He had an experience for everything. There was a fishing hole here, a golf course there, BBQ chicken from a 55 gallon drum or advice on how to run off a daughters boyfriend. His intensity was unmatched, especially when it came to his daughters, family and friends.

Tessa Slater

Thank you so much for that PERFECT summarization of our father. I have had the toughest time finding the words, so I haven't said any. I honestly couldn't have said it more perfect myself. With tears in my eyes as I read this and respond...all I can say is thank you. 💙💛
