“ *Papa...you were and always will be my hero!!! We had so many fun and great times growing up with you!!! You made sure we had everything we needed, and wanted!!! Most of all you showed us so much love!!! How you held my face, telling me how beautiful I was! How you would hug me so tight and neither of us wanted to be the first to let go! I could talk to you about anything and you always gave the best advice!!! You loved everyone and good to everyone you knew or met!!! A very forgiving, humble, man of God!!!! I could go on and on about you, I love you more than you could ever know! I still remember the tears in your eyes when I would leave after visiting you for the Summer!!! I never understood why we had to live so far away from you!!! I'm just glad I got to hold your hand and kiss your forehead and tell you how much I love you, before you went with Jesus!!! I couldn't ever have left you alone during you passing!!! You are very missed by many my dear sweet Papaw!!! I keep picturing you with Grandma and walking in Heaven with Jesus!!! It's comforting knowing how happy you are now...there in Heaven!!!! Love you always and forever!!!! Your first born granddaughter, Robin aka tooter bug!!!*

“ Charles will be dearly missed by all of his friends and family. He loved God, family & his many friends he met on Facebook. He was the most humble man I ever knew. I have many good memories of him, way to many to mention here but ones I will hold close to my heart and never forget. I will miss getting text and phone calls from him but most of all when I sign into Facebook and there are no post from Charles. My timeline was always full of post sometimes serious, sometimes funny. He was a dear brother and friend. Love you my brother and we will miss you. May God comfort his children, grandchildren and great-grandchildren as they say their goodbyes. RIP Your Sis & Brother-in-law Judy & Larry
