“ Chris and I served Cedar Springs together...she as our City Manager and I, as the local Library Director. We were in the throes of having fundraisers for a new library building. Chris was so supportive and fun to work with. She also came to our Open House Celebration in 2017. I was so delighted to see her and Linda Lehman, our City Finance Director. She will be very missed. I send my love and condolences to you, her family and friends. Donna Clark

“ I've worked and known Chris for just a short time in her role as Chair of MME. Each time I interacted with her she was always optimistic, positive, authentic and a true professional. What a loss for those who knew her and those impacted by her dedication in all she did. Thoughts are with her family.

“ My deepest sympathy to Bill and the Burns family. Chris was an amazing woman and one of the kindest, smartest people I've ever met. Whenever I think of Chris I get a mental image of her and Bill at the library at Central Michigan University, where I met them to do an interview for a story for the Morning Sun. I found them quietly reading together while holding hands and that memory always makes me smile. I'm so very sorry for your loss. Chris was loved and will be missed by so many. Rest in peace, my friend.

I worked with Chris since 2012 as the Spring Lake beat reporter for the Grand Haven Tribune. I'll never forget the bright, colorful, cheerful dress she wore to her interview for SL Village Manager. It matched her personality. Will miss this lady and the sparkle she added to Spring Lake.
