“ Cliff is my nephew, although there's only 4-1/2 years between us. I remember when he about 6 years old, he jumped off the shed flapping his arms trying to fly, and he broke his arm. He was quite the dare devil. Rest In Peace "Cliffie"!

“ *My favorite memory of Cliff is when he, my daughter, and I went horseback riding on the beach of Lake Michigan. It was a fantastic day and riding a horse on Lake Michigan has always been on my bucket list. We have many wonderful photos from that day, including the one used for his announcement. It was also the only time he rode a horse on the beach of Lake Michigan. It was definitely a shining moment for all of us. His smile in the announcement photo says it all! We will miss him.*

“ *I've known Cliff since we were kids. Back then he was the bratty neighbor kid but he became a good friend and neighbor over the years. Cliff had the greatest laugh & sense of humor of anyone I know. When my dad needed help in his later years, Cliff stepped right up to help him out. He was a good, good man and I'm heartbroken that he's gone.*

“ *Cliff was a great friend and neighbor, we shared many good times doing things. Cliff and I hunted bear in the porcupine mountains in upper Michigan which was one of his favorite things to do. We camped and got a nice bear too, I will miss that man who had a big heart.*
