“ Dear Family: For the thousands of years that mankind has known about and experienced death, it has never become easier for him to bear it. Death is truly mankind's worst enemy because it separates us from those we love. (1 Corinthians 15:26) And now our Loving God has purposed that soon death will be done away with (Isaiah 25:8) It will be no more! (Revelation 21:4) Hard to imagine though it might be, nonetheless, God has promised and we know He cannot lie (Titus 1:2). May your hearts take comfort and hope in God's word as we all await the time when soon “all those in the memorial tombs (graves), including your loved one, Craig will hear his voice and come out”, to live out their lives the way God originally intended...”even life forevermore” (John 5:28, 29; Psalm 133:3) You have my deepest sympathy . “ I met Craig when we were classmates at Pearson Junior High in Redford, Michigan. He was always a nice guy and liked by everyone who knew him. After graduation from Redford Union High School in 1970 I lost contact with many classmates, including Craig.

A little more than a year ago I re-established contact with him about a class reunion I was planning for the following summer. He was very interested in attending to catch up with old friends.

Unfortunately the reunion didn't happen but it was still great to talk to him after all those years and remember the good times we had at school.

All members of his graduating class that can be reached are informed of his death and are sad to lose yet another old friend from our past. May he Rest in Peace.
