“ I learned of Uncle Dale's death from Kerry's note of condolence on Facebook to Greg. It was a shock as the last time I saw him was in IA when we took Mother to the reunion in Des Moines. I thought his health was fairly good. Growing up in MI I had fond memories of going to the farm and seeing your dad and Gale. Actually he was closer in age to me than my younger brother and sisters. As you know, Mother died last year. I'm so thankful that we were able to have them together in IA in the fall of 2009. Please give my condolences to the family.##imported-begin##Pat Cole DeVoss##imported-end##
