“ I'm going to miss you, you little turd! I was supposed to go before you, dammit! Wish I could have seen you before you went, but getting around is quite a struggle for me. I will always remember your laugh and how much fun you were to hang around! Always smiling, always saying something to make me laugh! I love you to pieces and hope things are awesome on the other side! See ya when I get there! Love ya! <3
