

Danny O'Brien

February 24, 1970 - October 21, 2024

Dan O'Brien, age 54 of Gladwin (formerly of Flint), passed away unexpectedly on October 25, 2024. On February 24, 1970, Dan was born the son of James O'Brien, Sr. and Diane Belcher in Flint, MI. He was a fun, dedicated, hardworking, and loving individual who always put other people's needs before his own. During his working years, Dan proudly owned and operated his landscaping business. He greatly enjoyed nature and the outdoors. He loved boating, skiing, snowmobiling, taking trips on his bike or anything else fast enough to get into trouble in. He also enjoyed hunting, camping, and sitting by a campfire making hobo pies. He loved to travel—especially trips to Myrtle Beach. Those that knew Dan well, knew that he was a devoted father of his two beautiful children, family member, and friend and will be dearly missed by all he knew.

Dan is survived by his two children Ashley and Garrett O'Brien, his grandchildren Scott and Evelyn Granberry and Cal O'Brien, and his parents James O'Brien, Sr and Diane Belcher. Other survivors include his sister Tracy Lotridge, brothers James O'Brien, Jr. and Ronald Belcher, his nieces and nephews Katrina, Amanda, and Shayn McKone, Jade Belcher, Alyssa and Justin O'Brien, and Landon Richardson, and many great nieces and nephews. Dan was preceded in death by his brother Victor Belcher.

In keeping with Dan's wishes, cremation has taken place. A celebration of Dan's life will take place near his family in Flint with date, time, and exact location yet to be determined. Online condolences may be shared on Dan's
