“ I would like to start off by saying that I'm very sorry that we've all lost a great person in our lives. David was an exceptional person who always knew how to brighten up anyone's day . I remember several times when i was having a bad day , and he would come up with some kind of goofy impersonation , my favorite was the grinch... We had many great times. He was hardly ever mad, and when he was , it didn't seem to last too long and he'd be up smiling and laughing again. This is a huge shock and i just want to let all of David's loved ones and anyone close to him know that my heart goes out to you and i'm glad we all were able to enjoy the time we had with such a wonderful person. Not everyone gets to meet such a person in their lifetime. I'm just glad that we were able to spend the time we did with David and were able to have such a fantastic person in our lives. Again I'm so sorry . You will be missed

“ As we grow we exsperience love and loss, David (Buddy) had a personality the was entergetic fun loving "part of our crew" as child we influenced each other together. Dale and I feel a deap loss and give our respects to everyone in David's life. Mary his mother, who was the snack house, and a way cool mom. Ashely and Micheal loss is difficult as your journey of twist and turns and up's and downs is still moving. David will be above not just awaiting the arrval of his family loved ones and friends. As he watches over you there will be no obsticles that you can't overcome. David will always be in our minds as a best friend. Someone who shaped us into the people we are today and was alway a great friend.Dale & Rebecca Higgins##imported-begin##Dale and Rebecca Higgins##imported-end##

“ *David A Perfect World by Ron Tranmer © In a perfect world, death would never be. Love would be forever, and last eternally. In a perfect world, you'd still be by our side, lighting up our happy lives. You never would have died. In a perfect world, sadness would not be found. Love and life, and happiness forever would abound. Perhaps that perfect world awaits us when we die. A world where eternal bliss is found in heaven's sky. We'll cling to faith and hope, for God is a God of love, and in His time we'll join you in a perfect world above. ##imported-begin## Friends ##imported-end##*
