“ I wanted to express my deepest sympathy to the family, and to also let you know what a joy Delores was to care for. We had many talks about family and life in general. I will truly miss our conversations and just being in the company of Delores. My thoughts are with all of you, see will be missed.##imported-begin##Teresa Scully##imported-end##

“ Gene, I was sorry to hear of Dore's passing. She was a fun lady and I enjoyed it when mom and I went to 5 Lakes. The pontoon boat rides were memorable. Take care of your self and God's speed. Lynn CarolL. Parsons Murfreesboro, TN##imported-begin##Lynn Parsons##imported-end##
