No public visitation will be held

Tribute Wall

“ Dear Jill & “kids” ~ While visiting in I, I thought to look y'all up all these years later (so long ago there was no Kelly yet). The world is dimmer without the original RCG in it, my old boss at TMI & friend who showed me (with his lovely family) what true love looked like. Prayers for peace (belated but sincere) & friendship from your southern friend, Wendy BV

“ I am so very sorry to learn of your loss. I met Denny back in the early 90's when we were both associated with TMI. We enjoyed more than a few laughs on various job sites. Although I haven't seen him in several years, I share in the grief of his passing and will miss him.##imported-begin##Jim Brown##imported-end##

“ Dennis, Jill and children are some of the nicest people on Five Lakes. Dennis always offered me the dead trees on your property for our wood burner. We remember the time Dennis and daughter stopped when they saw us struggling to move a tree cut to protect the power lines. We had cut it but were struggling to move it to our truck. They waded thru snow without boots until the wood was loaded. The thing I remember most was the big smile I had each time I saw Dennis heading our way in one of his paddle powered boats because it brought back happy memories of my college days on the Rowing Team. Thanks for the memories friend.##imported-begin##Ray & Irina Brusseau##imported-end##

“ I remember Dennis from grad school at CMU. He was very proud of his family and let everyone know this. He gave my brother the opportunity to enter the environmental business with TMI in Mt Pleasant, a career he still enjoys. Dennis encouraged me to exceed my own expectations in grad school with his friendly competitive nature. He is thought of in prayer . my thoughts are with his family, Karen##imported-begin##Karen Woods Batzer##imported-end##
