“ Dear Gunderman family,
I was very sad to hear about Dennis today. I enjoyed my relationship with Dennis for over 20 years and always found a happy helpful response when ever we worked on a project together. Dennis was a pleaser to work with and extremely great at his job, made life easy for all of us. We enjoyed a mostly phone call, meeting face to face only a couple of times.
But we discussed life and family always before hanging up. I know Dennis was very much looking forward to his retirement. Breaks my heart that he didn't get that opportunity. We talked about sports all the time, GO Lions he will be watching. He and Detroit deserve a Super Bowl !,,
I will miss Dennis more than I can communicate here.

I hope his memory will bring a smile to his family and friends.

Thank you Dennis for your help and making my day better every time I needed your help.
