“ Uncle Don was bigger than life to us kids growing up. After a hard days work he never hesitated to join us in his backyard and play whiffle ball or frisbee with us until we got tired. Nothing but great memories of a perfect uncle and human being. He is with many loved ones that have gone on before him.##imported-begin##craig vance##imported-end##

“ If it wasn't for Uncle Don I may have never learned to snow ski. I think he also inspired my father and I to fish and shoot together. His home was always open to my family when we returned to Grand Rapids to visit our extended family. Some of my favorite childhood memmories are of hanging out with my cousins at Grama & Grampa & Uncle Don's. I loved you Uncle Don and you will be missed by many.##imported-begin##James P Schulte##imported-end##
