“ Too many great memories at the Leaman house!! But one time Mr. Leaman got me one time good as a teenager I walked in with Steph and he said "hey Liz your epidermis is showing". We didn't have smart phones then so it bugged me for a couple days before I figured that one out!
Also, back in the day going up north with the family, gettin lost in the woods, and the guitar and songs around the campfire.
" Ed in the woods" you will be missed!!!

“ Ed was always so cheerful and friendly to all. At Lake Rod and Gun he would come play Euchre and always bring in a plastic bag of freshly made jerky to share ...once he placed it on the counter, the members would head directly for it...his recipe was so good. He is missed dearly. My condolences to the family and close friends .

“ *A great man who lived a full life. Loved by everyone who knew him. Never shy about what he had on his mind and always let you know how it was. An embodiment of what toughness really was, a testament to stubbornness, but the wisdom to know the difference.*
