“ Hello Wudykas. "Grandma and Grandpa Wudyka" have been grandparents to me for my childhood and college years. Marion cared for me as an infant and a child, as my mother worked. I continued to write letters to Marion while I was in college, but as her eyesight deteriorated, I lost touch with them. The other day, I went to see if they were still in Clare, and I was sad to realize that they had both passed away. I have only the warmest memories of both of them, and I miss them very much. My belated condolences to you for your loss. -- Andrea Yun (C.K. and Insun Yun are my parents)
