The photo I added to Elaine's Tribute Wall, is how I would like others to remember my mother. She had a true inside and outside beauty that beamed from her when she smiled. I think of you everyday Mom. God bless you, Love ~Deb xoxoxo

“ I Love you Mom. I am incredibly thankful that you are no longer in pain anymore. I pray that you are dancing to beautiful angelic music with the angels without fighting for your next breath. I will always treasure the long talks, sometimes 6 hours or more, that we would engage in over the telephone, and how you would say to me "you crazy girl". I pray that your anxious mind is as calm as a warm soft breeze blowing across a beautiful pond which is surrounded by majestic mountains and a vivid blue sky. I hope that I will be able to feel your spirit with me. Please be my guardian angel. I will always be your "Dove" Mom... I love you more than you'll ever know. Rest peacefully my dear Mother ~With All My Heart ? Love ~Debbie Lynn Bardwell xoxoxo
