“ Ellyce was a great friend to myself and many others in Clare. She was always smiling and had a wonderful sense of humor. Just spent time with her a few weeks ago at a CHS coffee get together. It was a shock to hear of her passing and am sad to have her gone. You will not be forgotten my friend. Condolences to her sisters and there families. Prayers for comfort for you all.

“ "Eyce" was a part of our extended family for YEARS! (She lived with barb & John and my mom took care of Zack & macy at her daycare for years) Some shed sometimes pick up or drop off kiddos and obviously was a big part in that and we all became family, she always listened without judgement, and was just pure at heart, she will always be remembered and dearly missed! She was around for my hard teenage years, so I appreciate her listening when she did
