“ I will surely miss Gene. He tried to attend family functions even though we were distant cousins the important thing was that we are family. As the generations decrease and we children are getting to the top of the list I hope we can keep that family thing going. I chuckle sometimes when I think of the times him and Alva were going to park their motor home in my yard but I never did have a good road for him to travel on but the road he took this time I surely hope I will follow one day and finally be on a good road. I love you Alva and my heart goes out to you and Wanda and Phil and I would love to get to know his children as well as I got to know him. May God be with you all and give you strength.##imported-begin##Crystal Commander##imported-end##

“ I think of Gene often and with great fondness over the years. He will be missed by many. I have been working on the family history for many years so the Cohee name is a major line for me. I am Eugene Browns daughter and I understand that my dad was named after him by his sister Louise. I am so sorry for your loss and that I could not attend any memorials, as I live too far away.##imported-begin##Janet Brown Parmer##imported-end##

“ Alva, so sorry to see of Gene's passing. It has been awhile since I saw either of you, usually in Witbeck's. I remember the time Gene stepped up to Ralph and I at the dance and Gene said to Ralph. I am telling you I love your wife. We always had a chuckle over that. He was always friendly and talked to Ralph. You are in my prayers. Maxine Laog##imported-begin##Maxine Lago##imported-end##
