“ Only smiles when I think of Aunt Evalee. She was full of kindness to all. She spoke from her heart. Loved her family immensely. She did what she could to help others. She had the sweetest laugh. Forever in my heart. Penny Young (Morris)

“ I miss our Friday conversations... the tangents we would go off on and the stories you shared with me were more important than you will ever know. Stories of your childhood, early memories of you and papaw when you first got together, relocating from state to state, becoming parents... Your words of encouragement, prayers, the cries and laughter we shared all held such a special place in my heart and gave me something to look forward to each week.

Growing up with you as my grandmother was so very special because you made sure that each of us knew without a doubt that we were loved. And you showed us that love through food, prayer, kisses, food, conversations, food and warm hugs <3

I love you so much Grandma Evalee!
