“ *Fran worked as a legal secretary at my parents' (Jim and Lois Herrinton's) law office in Cadillac for many years, when I was a kid. She was a wonderful human being. Anytime I stopped by the office, Fran always had a smile and a warm greeting to offer me.*

*My dad and I visited her once in Farwell.*

*Fran will always be in my memories.*

“ *What I remember about "Grams" is her contagious laugh! I did not have a grandmother growing up and through my high school years - she was just like one to me! So glad that I had the opportunity to know her and to love her!*

“ My Aunt Frances was a little "stinker" with a wicked sense of humor and a great laugh! She had macular degeneration but that didn't stop her from writing Thank You letters for gifts and cards. once you could figure out her handwriting they always had a funny phrase or two that my husband and I would laugh over.

*As the oldest of the four Newman sisters, I'm sure she was surprised that she out lived the others. She was tough and stronger than they were and she had to be. She had a lot of sorrow losing Uncle Ted so young and her daughter Joann but that didn't stop her from enjoying the rest of her family members.*

*I'm so glad to be one of them!*

*Love you, Auntie!*
