“ There's no way I could say of all of the great things you have done for me and our family. You were a great father not only to your kids but too me as if I was your son too. I also know how awesome of a grandpa you were to my two girls that loved you more than anything. You were always there to help with anything we ever needed. You were able to do the stuff on our house that took way more patience then I ever had. We love you so much papa Gary.
