

Georgina A. Johnson

January 18, 1955 - November 6, 2020

Georgina Ann Johnson, age 65 of Clare, passed away unexpectedly on November 6, 2020 at her home. On January 18, 1955, Georgina was born the daughter of John P. and Helen (Raicoff) Bardallis in Jackson, MI. After graduating from Parkside High School in 1973, Georgina briefly attended college in Florida until moving to the Central Michigan area, where she lived for the remainder of her life. In her younger years she enjoyed traveling across the US to different areas with her family, and was always up for a trip to a casino or two. Those that knew Georgina well, knew of her strong belief in philanthropy as she was passionate about helping children, animals, and veterans. She also loved planning her Freeman Township Children's Christmas parties and tending her flower and vegetable garden whenever she could, but her greatest legacy of all was her amazing effort in raising her cherished daughter Ashley.

Georgina is survived by her daughter Ashley (Randy) Parker of Clare, her mother Helen Bardallis of Clare, her brother John M. (Deborah) Bardallis of Parma, MI., and her greatly anticipated grandson John Phillip George Parker due to arrive in November of 2020. Georgina was preceded in death by her father John P. Bardallis.

In keeping with Georgina's wishes, cremation has taken place. A memorial service will take place in her honor at a date and location to be determined

when social gathering restrictions are no longer in place. Memorial contributions in honor of Georgina may be directed to the American Lung Associate, St Jude's Children's Hospital, The Humane Society of the United States, or your local animal shelter. On line condolences may be shared on Georgina's tribute page at www.stephenson-wyman.com

“ *Mama Georgie.... what can I say...? You were such a positive influence to me in my younger years and took on the role of my adopted mother. We spent many many family vacations together, birthday parties and sleepovers. You were a wonderful human and an amazing mother and undoubtedly would have been an amazing grandmother. You will forever be in my heart. I love you. Prayers to you and the whole family Ash. I love you all beyond measure and belief*
