“ I'm glad I had the opportunity to meet this amazing man, he turned out to be one of the best influences of my life. I'll miss you until I see you on the other side. A real family man. A man that didn't need blood to be family or even know you too well to know you're a good person and he would give you the shirt off his back to see you smile. God took you too soon however you're not in pain anymore so God rest your soul Harry Dog.
